**Galeon 445 HTS - 2015 (launched in 2016).** Currently, this model is marked 485 HTS because the total length of the yacht is 14.98 m. Before the 2023 season, the yacht underwent a full refresh, including new external upholstery, paint correction, teak wood refreshment, new anti-fouling paint, and full internal and external detailing. In spring, a major service was performed on Volvo Penta engines, including changing oils in gears, cleaning the cooling system, etc., and a set of new batteries was installed. The unit is 100% operational and ready for use .

Full service history in the Volvo system and a set of invoices available for viewing. New zippers and bolts installed in 2019. Very rich equipment, modern design and unique colors are the greatest advantages of this yacht. Yacht registered in Poland - ready for immediate delivery
