PRINCESS 45 (2003 - FIRST LAUNCH 2004)

The ideal flybridge yacht under 50 feet in length, featuring modern design, flexible living space and exceptional on-water performance.

The yacht was built in 2003 and launched in 2004, this model is exceptionally clean and well-kept thanks to the care of the current owners.

The yacht underwent a full service and renovation in 2023: engines, new protection against filling, new shaft drive seals, general renovation of the generator, polishing of the hull and teak wood, replacement of external upholstery.

A highly appreciated flybridge in exceptional condition, with many optional extras, an exciting option for anyone looking for a yacht of this type.
